

NUBIAN LUXE PARTING GUIDE

Use this guide to determine your preferred style and parting density. Please note that all counts are approximations based on average scalp dimensions and may vary slightly based on individual head size and shape.

- **Face-Forward Diagram:** This view indicates the total number of parts on each side of a middle part along your hairline, measured ear-to-ear.
- **Side-View Diagram:** This view represents the grid depth along the middle part, tracing the curve of the head from the forehead to the nape.
- **Service Selection:** When booking, chose your desired style with the "Parting Guide" title that corresponds to your chosen style.

Note: This guide is universal to braids, twist, locs for natural hair and extension services. Some sizes may not be available for all styles.
